

AHMSA Monclova Integrated Mill – Field Trip

Optional Field trip to AHMSA's Monclova Mill

Friday 15th February | \$150

We're giving you the chance join a tour of a flagship facility of the largest integrated steel company in Mexico.

It operates at a rate close to 5 million tons per year of liquid steel and employs 19,000 workers, including its mining subsidiaries. It has 2 steel plants in Monclova, covering an area of 1,200 hectares.

During your visit, you will enjoy a talk from representatives of AHMSA Monclova, followed by an informative guided tour around the following key departments of the plant:

- Blast Furnace 6, Continuous Casting 4/Electric Arc Furnace
- Steckel Plate Mill
- Normalizing Plant

This is a unique opportunity to gain insight into the technologies and processes of a pioneering steel mill in the heart of Mexico's industrial hub.
